Prepared for Bob and Scott by Eric Berg, Crush

01 Refreshing and crisp.

02 As the family grew.

03 String lit.

Your number

## $2,500

Paid once.

### Half at go, half at launch

$1,250 when you say go, $1,250 when your site is live.

### Built within a week

of your go. You see every page before anything goes live.

### Yours to keep

Site and domain stay in your Squarespace account.

# What we built it around.

## Refreshing and crisp like a tart apple.

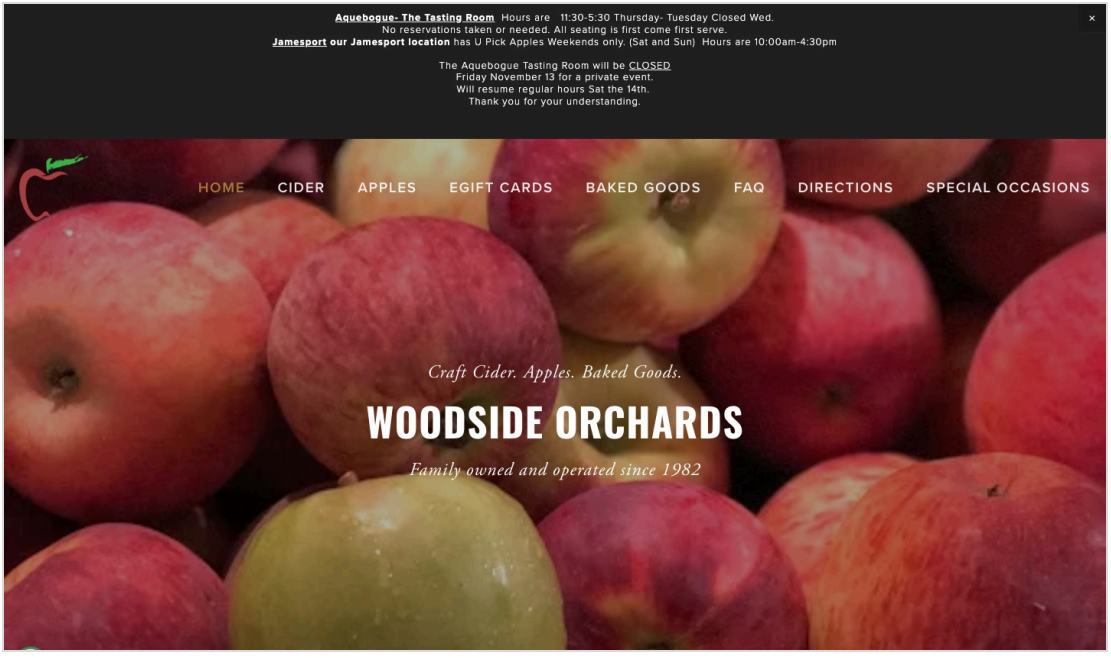

From your Hard Cider page, on the Traditional Dry. Option 1 sets it beside your etched pint, re-shot in late sun and blown up on your green, with your apple seal on the glass.

## As the family grew, so did the business.

From your family's story on the homepage. Option 2 is light and open: your apples and your orchard as a timeline from 1982 to today, turning from an old print to full colour as the years run.

## Welcome to our backyard.

From your Small Celebrations page. Option 3 is your string-lit patio at blue hour, with a breeze moving through the lights and the leaves.

New, on a phone

# All in the price of your website.

## The website

A new site for Woodside: the homepage, your ciders and baked goods, your tasting room, u-pick and events, and a way to get in touch, built out from the top you've just seen. Built within a week of your go.

## An animated promo

A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.

## A designed email

Designed and written for your regulars and your list, so the people who already love your ciders hear about the new site and the next release from you.

## Twelve ads

Twelve launch graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.

## A front desk

First month on us

From Hire Whoever, our sister company: a voice assistant built around your tasting room, so callers asking about hours, what's pouring or this weekend's events get an answer while your team is pouring, and every call becomes a short written record.

## Unlimited small changes

For the first 30 days, anything you send is live the next business day. After that, small changes stay free: a price, a photo, your hours, a line of text. Text or email it and it's done within the week.

## Launch email setup

Included when you say go before 23 November 2026

We set up the launch email and line it up for your regulars and your list, ready to go out on launch day.

$2,500, paid once. Nothing that comes with it is billed separately. All prices in US dollars.

# Built within a week of your go.

Day 0

## You say go

You pay the 50% deposit and add us as an administrator on your Squarespace site. Nothing on your live site changes until you say.

Days 1 to 7

## We finish the site

We build the new design into your Squarespace site. You preview every page before it goes live.

Launch

## It goes live

The new design goes live on your site, and the promo, email and ads are ready to go out with it.

After launch

## Changes, on us

For 30 days, anything you send is live the next business day. Small changes stay free after that.

Launch day depends on you too: the sooner your answers and approvals come back, the sooner it's live. If we're ever the hold-up, your first three months of Steady, our monthly care plan, are on us.

"We weren't planning to rebuild the website for our cafe, until Eric from Crush approached us... We're so glad he did!"

Alejandra Dominguez, Switchboard Cafe, Salt Spring Island, BC

"I don't respond to emails from outsiders, but I'm glad we did with you."

Midwest Peps, online store, Kansas

"...completely modernized the site while keeping its identity, its history and the content I care about."

Vincent Cheville, Volcano Explorer, La Réunion (translated from French)

# Yours, start to finish.

## What you own

Your site and domain, in your own Squarespace account and your name.

You keep editing your pages, products and posts in Squarespace, just like now.

No commitment on anything monthly. Cancel anytime; the design stays yours.

## What you pay

| Your website | $2,500 |
|---|---|
| When you say go (50%) | $1,250 |
| When the site is live | $1,250 |

All prices in US dollars.
This proposal holds until 16 December 2026.

# When you want more.

Small changes stay free, so you never need a plan to keep your site right. These are for when you want us working on it every month: no commitment, cancel anytime.

| | | |
|---|---|---|
| Steady | Any change live the next business day, your Google listing kept current, backups checked by a test restore, updates tested, lookalikes and spam reported. | $250/mo |
| Grow | Everything in Steady, plus a new page or article a month, showing up in Google and ChatGPT answers, one campaign, review requests and where you stand each month. | $500/mo |
| Partner | Everything in Grow, plus Eric on call every day, and we run your marketing & sales: full SEO, every email, promo and ad, offers from your own numbers, prize games, custom booking and checkout. | $1,000/mo |

# Questions.

## Will moving hurt my Google ranking?

Nothing moves. You stay on Squarespace, at the same addresses, with the same pages and business details, so everything Google already knows keeps working. The new design is fast and built for phones first, which Google rewards. We don't promise rankings.

## Is it secure?

Yes. Your site stays on Squarespace, which looks after the hosting, security updates and checkout. The new design is tested on a preview of your real site before anything goes live.

## Who owns it?

You do. The site and the domain stay in your Squarespace account, in your name. Nothing of ours renews unless you ask.

## How do I make changes?

Text or email me the change. For the first 30 days, anything you send is live the next business day. After that, small changes stay free, done within the week: a price, a photo, your hours, a line of text. Something new, like a page or a feature, gets a price before we touch it, or a monthly plan covers it.

## When do I pay?

Half ($1,250) when you say go, the rest ($1,250) when the site is live. You've seen the homepage before paying anything.

## What about new releases?

Then the site changes with them. New ciders, hours and events are easy to update, and I'll load your current lineup into it as part of the build.
